Dr. Rotberg,

This message has two purposes. First, to tell you that unfortunately I won't be able to attend the conference tonight.

Second, and I have intended to do this for a while, to thank you for sharing with us one of the most interesting and challenging courses, EDU 340. I want to thank you personally for all I learned, and for how you helped me focus on an issue from multiple perspectives. Being in your class was also helpful because I needed to gain some more balance in addressing crucial or "hot" topics in education, and I started my way. I could even change my previous ideas because of it. So, many thanks again.
