DIRECTORATE FOR SCIENCE AND
ENGINEERING EDUCATION

Mr. Hou Dingyong
Foreign Investment and Loan Office
State Education Commission, P.R.C.
No. 37 Damucang Hutong
Xidan, Beijing
PEOPLES'S REPUBLIC OF CHINA

Dear Mr. Hou:

I am mailing under separate cover a set of reports which I hope will be of interest to you and your colleagues. I have enclosed 15 copies of the reported entitled National Science Foundation Guide to Programs which I would like to distribute to all the meeting participants. The other reports respond to specific interests and requests at our meetings. They include:

- o Engineering Education and Practice in the United States for Wang Yingjie, Beijing Normal University and Huang Ding Mo, Tsinghua University.
- o Education in the 80's: Science and Education in the 80's: Mathematics for the principal of Nivlanshan High School.
- o Research on Wait Time for the principal of Nivlanshan High School.
- o National Science Foundation Summary of Grants FY 1984-86 (set of four) for Qin Guanlin, State Education Commission and for the principal of Nivlanshan High School.
- o Program Announcement: United States-China Cooperative Science Program for Huang Ding Mo.
- o A Selected List of Fellowship Opportunities and Aids to Advanced Education for Qin Guanlin and Huang Ding Mo.

I have sent extra copies of the grants summaries and fellowship information for others who may find these publications of interest.

Mr. Hou Dingyong

2

Ma Weixiang also asked me to recommend social scientists who could provide expertise in survey techniques and tracer studies. I have two suggestions:

Dr. Greg Duncan
Institute for Social Research
University of Michigan
Ann Arbor, Michigan 48106

Dr. Edward Gramlich
Acting Director
Congressional Budget Office
U.S. Congress
Washington, DC 20515

I appreciate your help in distributing this information and would like to thank you and your colleagues again for a most interesting set of meetings in Beijing. Please let me know if you would like any additional information.

Best regards.

Sincerely,

Iris C. Rotberg
Program Director
