Dear Dr. Rotberg,

Thank you very much for your participation in our recent hearing on New Directions for Chapter 1. Your discussion of the possible benefits of a schoolwide improvement approach was extremely helpful to the Committee.

As we move toward reauthorizing the Elementary and Secondary Education Act, we must continue to think of ways to use government funds wisely and effectively to improve educational opportunities for all children.

Again, thank you very much for your participation, and please feel free to contact me with any additional comments or questions.

Sincerely,

Edward M. Kennedy
