SCHOOL RULES
(FOR MIDDLE SCHOOL STUDENTS IN BEIJING)

- 1, Love our motherland, serve the people and follow the Communist Party of China. Study hard and prepare for the modernization of our socialist country.
- 2, Come to school on time; don't be late; don't leave school during school hours. Don't be absent without a proper reason.
- 3, Pay attention in class, use brains, and do assignments with care.
- 4, Take an active part in physical labor and care for its products.
- 5, Take an active part in physical training and recreational activities.
- 6, Observe school rules. Obey public order and the law.
- 7, Live a simple life; observe hygiene rules, no smoking, no alcohol, no spitting.
- 8, Show respect to teachers, be friendly to one's peers; be polite, no fighting at all.
- 9, Love one's peer group; care for public property. Don't do any harm to the people.
- 10, Be honest and modest. Correct one's mistakes, if there are any.

Besides, there is an informal rule: No writing love letters or doing any thing like that.
