*School of Education*

July 15, 1985

Iris C. Rotberg  
Program Director  
Science and Engineering Education  
National Science Foundation  
Washington, D.C. 20550

Dear Dr. Rotberg,

Thanks for sending me a copy of your paper "On math and science education in the United States." Too bad it wasn't required reading during the past two years of uninformed argument about the crisis in American education. I hope you continue to send copies out to all who can benefit from reading it.

Sincerely,

Jack I. Bardon  
Excellence Foundation Professor of  
Education and Psychology
