Dear Iris -

Thank you for a most provocative presentation to the NCTW delegates last Tuesday evening. Your conclusions raised several questions in the minds of our women - and many delegates have expressed a desire to see a copy of our paper. We have assured them that a copy will be forthcoming.

We are all grateful to you for so rearranging your schedule that you could be with us. That was most gracious of you. And on a personal level, it was a real pleasure for me to meet you.

Warm good wishes -

Cordially,

Bernice

Dear Iris:

Once again I want to express my personal thanks and appreciation to you for taking on the assignment of preparing a major paper for presentation at our recent JPI session on Public Education. I look forward to the paper, a copy of which I also plan to send to Chaim.

It was especially good to spend time with you and to say hello to Gene. What I missed was not having an opportunity to see your new home. I hope you'll invite me over the next time I'm in Washington.

The news from Chaim continues to be good, though it's far from that in the region. We'll have a first-hand report when Barbara Mandel returns from Israel early in March.

With best wishes and warm regards.

Cordially,

P.S. Your warm note and paper arrived after this letter was completed--hence the P.S. rather than up-front acknowledgment. Thanks for both.

Dear Iris:

On behalf of the National Council of Jewish Women and personally, I wish to thank you for your major presentation at the Joint Program Institute session devoted to Public Education on January 31, 1984.

Your very thoughtful paper gave the over 500 delegates to our Joint Program Institute much to think about.

I wish to tell you again how grateful we are to you for waiving the honorarium.

With appreciation and best regards.

Sincerely,
